

Hillwood begins work on DeSoto Industrial Building

Dallas Business Journal - July 31, 2007

Hillwood said Tuesday it has begun construction on a 550,600 square-foot industrial building in DeSoto.

The building is going up inside the developer's 113-acre Crossroads Trade Center business park at Interstate 20 and Interstate 35.

The building is expected to be completed by the end of this year.

Fort Worth-based Hillwood, a Perot company, is a commercial real estate developer. It has developed more than 30 million square feet of commercial space in North Texas since 1999, including its AllianceTexas and Victory projects.
